D G D A
You answered me in Your mercy

You're anger was fleeting

D A D G D A-D
And now I will dance in Your favor all my life

D G D A
Let me heart sing for You and not remain silent

D G
Let me heart sing for You

Turn my weeping into a dance

Bm G
So dance, dance my soul

There's no reason for you to weep

Bm G
So dance, dance my soul,

Make music to your King
