

Don't Tarry Long

G **C**
Yes my Lord Jesus is coming back
G **Em** **A7** **D**
To take me away to take me home with Him
G **C**
Or when the day comes and I put off this tent
G **Em** **A7** **D** **G** **E7** **A7** **Daug**
Then it's hello to Jesus and good bye to this foreign land.

Chorus:

C **G** **C** **G**
Good Lord we're waiting for your Son to appear
C **G** **F** **C**
To raise the dead and take up His bride to the sky
C **G** **C** **G** **Em** **A7** **D**
Jesus don't tarry long

G **C** **G** **Em**
Soon we'll be riding white horses following Jesus to the valley
A7 **D** **G** **C**
Of Armageddon where the beast and his armys will gather
G **Em** **A7** **D** **G** **E7** **A7** **Daug**
Waiting for the word of my Savior to befall them

Chorus
