

Father I'm not Worthy

G **C**
Father, I'm not worthy to be called your son.

G **C**
Father, I'm not fit to belong to your royal priesthood.

G **C**
Jesus, I'm not worthy to bow at your feet and sing you.

G **C** **D**
Father, who am I to be called by you Holy name, Oh God.

C **G** **D** **Em** **C**
Still I find myself in the presents of your Holiness,

C **G** **D** **Em** **C**
And at your throne of grace I bow my head and seek your face.

Em **C**
Cause, without you I am nothing Lord,

G **C**
Just a fruitless branch to burn.

Em **C** **G** **D** **C**
But your blood makes me holy and I am blameless to you.
