

## God With Us

**A** **Fm**  
Who are we that You would be mindful of us?  
**D** **A**  
What do You see that's worth looking our way?  
**Fm**  
We are free in ways that we never should be.  
**D** **A**  
Sweet release from the grip of these chains.  
**E**  
Like hinges straining from the weight,  
**D**  
My heart no longer can keep from singing.

**A**  
All that is within me cries  
**E**  
For You alone be glorified  
**D** **Bm** **A**  
Emmanuel, God with us.  
**A**  
My heart sings a brand new song.  
**E**  
The debt is paid, these chains are gone.  
**D** **Bm** **A**  
Emmanuel, God with us.

**A** **Fm**  
Lord, You know our hearts don't deserve Your glory  
**D** **A**  
Still You show a love we cannot afford.  
**E**  
Like hinges straining from the weight,  
**D**  
My heart no longer can keep from singing.

**A** **E**  
Such a tiny offering Compared to Calvary  
**D** **A**  
Nevertheless, We lay it at Your feet. (X2)
