

I Rely Upon Your Love

G **Am**
Oh Lord You gaze into my heart
G **C** **D**
Like looking through a glass house
G **Am**
Though Lord You see the darkest part
G **C**
Still Lord You love me
 Am **D**
And I know You're thinking of me
Am **Em** **D**
I must confess I just don't understand

Chorus:

G **D**
I rely upon Your love
 C
Like the flower needs the rain
G **D**
I rely upon Your love
 C
Through the storms
And through the pain
G **D**
I rely upon Your love
 C
To free me from my chains
 Am **Em** **D**
Like sun shining down from above
 G **C** **G**
I rely upon Your love
