Stand in Awe

A E A E
Gracious and astounding, Gods love so confounding
A E B
Appears to us, in a cleansing flow of blood
A E
The Son left throne and Glory
A E A
Bore the Father's wrath and fury in our stead
E B
And for the sins of all He bled

Chorus:

A B
Stand in awe and worship
C#m E A
Raise your voice in worship come adore
B E
The King of kings, Lord of lords

A E
Behold the Lamb in heaven
A E A
He was dead but God raised Him from the grave
E B
For His arm is mighty to save
A E
Now glorified and reigning
A E A
The keys to death and Hades in His hand
E B
And all hail the Lord of every man
