Stand in Awe

C G C G
Gracious and astounding, Gods love so confounding
C G D
Appears to us, in a cleansing flow of blood
C G
The Son left throne and Glory
C G C
Bore the Father's wrath and fury in our stead
G D
And for the sins of all He bled

Chorus:
C D
Stand in awe and worship
Em G C
Raise your voice in worship come adore
D G
The King of kings, Lord of lords

C G
Behold the Lamb in heaven
C G C
He was dead but God raised Him from the grave
G D
For His arm is mighty to save
C G
Now glorified and reigning
C G C
The keys to death and Hades in His hand
G D
And all hail the Lord of every man
