

**We Wait**

**C#m**                    **A**    **B**                    **C#m**

Oh God descend on us in power

**A**                    **B**                    **C#m**

Come and send Your Spirit fire

**A**                    **B**                    **C#m**

To burn on the altars of our heart

**C#m**                    **A**                    **B**                    **C#m**

Oh Christ come now to Your waiting bride

**A**                    **B**                    **C#m**

In every language tongue and tribe

**A**                    **B**                    **C#m**

She bears Your name upon this earth

**Chorus:**

**A**    **B**    **C#m**

*We wait for You*

**A**    **B**    **C#m**

*We wait for You*

**A**    **B**    **C#m**

*We wait for You*

**A**

*And we give our lives*

**B**                    **C#m**

*A sacrifice to You*
