

Jesus Lord of Heaven

B **F# G#m** **E**

Jesus Lord of heaven I do not deserve

B **F#**

The grace that you have given

G#m **E**

And the promise of Your word

B **F#** **G#m** **E**

Lord I stand in wonder at the sacrifice You've made

B **F# G#m** **E**

Mercy beyond measure, my debt You freely paid

Chorus:

B **F#**

Your love is deeper than any ocean

G#m **E**

Higher than the heavens

B **F#** **E**

Reaching beyond the stars in the sky

G#m **F#** **E**

Jesus, Your love has no bounds
