

Let All Creation Sing

Let all creation sing
Sing glory to the King
He is the one who shed
His blood for me
He's gone away
To make a place for me
To worship Him for all eternity

He's coming back again
Arrayed in splendor
Bright enough
For every eye to see
He's coming with
The clouds
So give Him glory
Worship Him on bended knee

Oh what a jubilee
When we finally meet
The one who purchased us
A life so sweet
He'll set the captives free
And make the blind to see
And we will follow Him to victory

At the Name of Jesus
Every knee will bow
Every tongue confess
That Jesus Christ is Lord
To the glory of God

Holy Is The Lord

We stand and
Lift up our hands
For the joy of the Lord
Is our strength
We bow down
And worship Him now
How great, how awesome is He
And together we sing
Everyone sing

Holy is the Lord
God Almighty
The earth is filled
With His glory

It's rising up all around
It's the anthem of
The Lord's renown

More Than Enough

You are my supply
My breath of life
And still more awesome
Than I know
You are my reward
Worth living for
And still more awesome
Than I know

All of You
Is more than enough
For all of me
For every thirst
And every need
You satisfy me
With Your love
And all I have in You
Is more than enough

You're my sacrifice
Of greatest price
And still more awesome
Than I know
You're my coming King
You're my everything
And still more awesome
Than I know

More than all I want
More than all I need
You are more than enough
For me

More than all I know
More than all I can see
You are more than enough
For me

Arms of Love

I sing a simple song of love
To my Savior, to my Jesus
I'm grateful for
The things You've done
Loving Savior, Precious Jesus
My heart is glad
That You've called me
Your own
And there's no place
I'd rather be

Than in Your arms of love
In Your arms of love
Holding me still
Holding me near
In Your arms of love

I Rely Upon Your Love

Oh Lord You gaze into my heart
Like looking through
A glass house
Though Lord
You see the darkest part
Still Lord, You love me
And I know You're
Thinking of me
I must confess
I just don't understand

I rely upon Your love
Like the flower
Needs the rain
I rely upon Your love
Through the storms and
Through the pain
I rely upon Your love
To free me from my chains
Like the sun
Shining down from above
I rely upon Your love

Don't Tarry Long

Yes my Lord Jesus
Is coming back
To take me away
To take me home with Him
Oh when the day comes
And I put off this tent
Then it's hello to Jesus
And goodbye to this foreign land

Good Lord we're waiting
For your Son to appear
To raise the dead
And take up His bride to the sky
Jesus don't tarry long

Soon we'll be
Riding white horses
Following Jesus
To the valley
Of Armageddon
We're the beast and
His armies will gather
Waiting for the word
Of my Savior to befall them

My Jesus I Love Thee

My Jesus, I love Thee
I know Thou art mine
For Thee all the follies
Of sin I resign
My gracious Redeemer
My Savior art Thou
If ever I loved Thee
My Jesus, 'tis now

I love Thee because
Thou hast first loved me
And purchased my pardon
On Calvary's tree
I love Thee for wearing
The thorns on Thy brow
If ever I loved Thee
My Jesus, 'tis now

I'll love Thee in life
I will love Thee in death
And praise Thee as long as
Thou lendest me breath
And say when the death dew
Lies cold on my brow
If ever I loved Thee
My Jesus, 'tis now

In mansions of glory
And endless delight
I'll ever adore Thee
In Heaven so bright
I'll sing with a glittering
Crown on my brow
If ever I loved Thee
My Jesus, 'tis now
