

Let All Creation Sing

Let all creation sing
Sing glory to the King
He is the one who shed
His blood for me

He's gone away
To make a place for me
To worship Him for all eternity

He's coming back again
Arrayed in splendor
Bright enough for every eye to see

He's coming with the clouds
So give Him glory
Worship Him on bended knee

Oh what a jubilee
When we finally meet
The one who purchased us
A life so sweet

He'll set the captives free
And make the blind to see
And we will follow Him to victory

At the Name of Jesus
Every knee will bow
Every tongue confess
That Jesus Christ is Lord
To the glory of God

He's coming back again
To take us home with him

To the glory of God

More Than Enough

You are my supply
My breath of life
And still more awesome than I know

You are my reward
Worth living for
And still more awesome than I know

All of You
Is more than enough for all of me
For every thirst and every need

You satisfy me with Your love
And all I have in You
Is more than enough

You're my sacrifice
Of greatest price
And still more awesome than I know

You're my coming King
You're my everything
And still more awesome than I know

More than all I want
More than all I need
You are more than enough for me

More than all I know
More than all I can see
You are more than enough for me

At the Foot of the Cross

At the foot of the cross
Where grace and suffering meet
You have shown me your love
Through the judgment you received

And you've won my heart
And you've won my heart

Now I can trade
These ashes in for beauty
And wear forgiveness like a crown

Coming to kiss the feet of mercy
I lay every burden down
At the foot of the cross

At the foot of the cross
Where I am made complete
You have given me life
Through the death you bore for me

Nothing is as Lovely

All I want is to know You, Jesus
All I want is to know I belong to You

Show me all of the things
That are worthless
That I thought were
So valuable to You

Nothing is as lovely
Nothing is as worthy
Nothing is as wonderful
As knowing You

All I want is to know You, Jesus
And the power that raised You
From the dead

Help me forget all the things
That I've done
And set my heart on
What lies ahead

Your Love O Lord

Your love O Lord
Reaches to the heavens
Your faithfulness
Stretches to the sky

Your righteousness
Is like a mighty mountain
Your justice flows
Like the ocean's tide

And I will lift my voice
To worship You O King
I will find my strength
In the shadow of Your wings

Jesus Lord of Heaven

Jesus Lord of Heaven
I do not deserve
The grace that You have given
Or the promise of Your Word

Lord I stand in wonder
At the sacrifice You've made
With mercy beyond measure
My debt You freely paid

Your love is deeper
Than the oceans
Higher than the heavens
Reaches beyond
The stars in the sky

Jesus, Your love has no bounds
Jesus, Your love has no bounds
Jesus, Your love has no bounds

Lead Me to the Cross

Savior, I come, quiet my soul
Remember Redemption's Hill

Where Your blood was spilled
For my ransom
Everything I once held dear
I count it all as loss

Lead me to the cross
Where Your love poured out
Lead me to my knees
Lord I lay me down

Rid me of myself
I belong to You
O lead me
Lead me to the cross

You were as I tempted and tried
Human The Word became flesh

Bore my sin in death
Now You are risen
Everything I once held dear
I count it all as loss

To Your heart
Lead me to Your heart

Come Away

I am weary and
I need your touch
Won't you give me strength?

Searching for true joy in this life
Only You can fill the space
Fill me with Your Holy presence
Fill me with a heart of praise
Take me

Out of this world and
Into Your arms
Away from the tears, the pain
And all of these scars

I want to love You
With all of my heart
And I want to hear You say,
"Come away"

Someday You'll come back for me,
And I'll see Your face
Take me in your loving arms
Hold me in a warm embrace

Forever I'll be in Your presence
Forever I'll sing Your Praise
When I'm

Out of this world and
Into Your arms
Away from the tears, the pain
And all of these scars

I want to love You
With all of my heart
And I want to hear You say,
"Come away"
