

Father of Lights

Father of Lights, You delight
In Your Children

Every good and perfect gift comes from You
Every good and perfect gift comes from You
Every good and perfect gift comes from You
Father of Lights

Father of Lights, You never change
You have no turning

You are so good

Sweet Sweet Song

You are so good to me
You heal my broken heart
You are my Father in heaven

You are beautiful
My sweet, sweet song
And I will sing again

You ride upon the clouds
You lead me to the truth
You are the Spirit inside me

You are my strong melody
You are my dancing rhythm
You are my perfect rhyme
That I want to sing forever

You poured out all Your blood
You died upon the cross
You are my Jesus who loves me

More Like You

To be more like You
That's what I want
To be more like You
And know who You are

To walk by Your side
Holding Your hand of love

Counselor, Comforter
Loving Father

Healer, Creator
Jesus the Lamb of God

To sit at Your feet
That's what I want
To sit at Your feet and
Know who You are

To lay on Your chest
Safe in Your arms of love

Counselor, Comforter
Loving Father
Healer, Creator
Jesus the Lamb of God

I will trust You Lord
I will wait on You

I Love Your Presence

In the glory of Your presence
I find rest for my soul
In the depths of Your love
I find peace makes me whole

I love, I love, I love Your presence
I love, I love, I love Your presence
I love, I love, I love Your presence
I love, I love, I love You Jesus
I love, I love, I love Your presence

Lead Me to the Cross

Savior, I come
Quiet my soul
Remember

Redemption's Hill
Where Your blood was spilled
For my ransom
Everything I once held dear
I count it all as loss

Lead me to the cross
Where Your love poured out
Lead me to my knees
Lord I lay me down

Rid me of myself
I belong to You
O lead me
Lead me to the cross

You were as I
Tempted and tried
Human

The Word became flesh
Bore my sin and my death
Now You are risen
Everything I once held dear
I count it all as loss

Lead me to the cross
Where Your love poured out
Lead me to my knees
Lord I lay me down

Rid me of myself
I belong to You
O lead me
Lead me to the cross

To Your heart
Lead me to Your heart

We Wait

Oh God, descend on us in power
Come and send Your Spirit fire
To burn on the altars of our heart

Oh Christ come now to Your waiting bride
In every language, tongue, and tribe
She bears Your name upon this earth

We wait for You
We wait for You
We wait for You
And we give our lives
As a sacrifice to You
