

Free In You

I will lift my voice up to You
For You have called me
By Your name

I will lift my heart up to You
For You alone
You know my frame

I will lift my life up to You
For You hold my breath
In Your hand

I will lift my all up to You
For You alone
You understand

It's to You I fall and
To You I stand oh Lord
So it's to You I'll yield up
All I am to You

Let me not bend my knee
All eternity
To anyone but You

For though I am Your servant
Though I call You Lord
You call me friend
And I love to be so free in You

Come Away

I am weary and
I need your touch
Won't you give me strength?

Searching for true joy in this life
Only You can fill the space
Fill me with Your Holy presence
Fill me with a heart of praise
Take me

Out of this world and
Into Your arms
Away from the tears, the pain
And all of these scars

I want to love You
With all of my heart
And I want to hear You say,
"Come away"

CCLI# 1746006

Someday You'll come back for me,
And I'll see Your face
Take me in your loving arms
Hold me in a warm embrace

Forever I'll be in Your presence
Forever I'll sing Your Praise
When I'm

Out of this world and
Into Your arms
Away from the tears, the pain
And all of these scars

I want to love You
With all of my heart
And I want to hear You say,
"Come away"

Amazed

You dance over me while I am unaware
You sing all around
But I never hear the sound

Lord, I'm amazed by You
Lord, I'm amazed by You
Lord, I'm amazed by You
How you love me

You made the morning sky
With miracles in mind.
My hope will always stand
You hold me in Your hand.

How wide; How deep
How great is Your love for me
Lord, I'm amazed by You
How You love me

Heart of Worship

When the music fades
And all is stripped away
And I simply come

Longing just to bring
Something that's of worth
That would bless Your heart

I'll bring You more than a song
For a song in itself
Is not what You have required

You search much deeper within
Through the way things appear
You're looking into my heart

I'm coming back to
The heart of worship
And it's all about You
It's all about You, Jesus

I'm sorry Lord
For the thing I've made it
'Cause it's all about You
It's all about You, Jesus

King of endless worth
No one could express
How much You deserve

Though I'm weak and poor
All I have is Yours
Every single breath

The Famous One

You are the Lord,
The Famous One, Famous One
The heavens declare You are glorious, glorious
Great is Your fame beyond the earth

For all You've done and yet to do
With every breath I'm praising You
Desire of the nations and every heart
You alone are God, You alone are God

The morning star is shining through
And every eye is watching You
Revealed by nature and miracles
You are beautiful, You are beautiful

How Great is Our God

The splendor of the King
Clothed in majesty
Let all the earth rejoice
All the earth rejoice

He wraps Himself in light
And darkness tries to hide
And trembles at His voice
And trembles at His voice

How great is our God
Sing with me, how great is our God
And all will see how great
How great is our God

Name above all names
You are worthy of our praise
And my heart will sing
How great is our God

And age to age He stands
And time is in His hands
Beginning and the end
Beginning and the end

The Godhead; three-in-one
Father, Spirit, Son
The Lion and the Lamb
The Lion and the Lamb

Shine Upon Us

As we lift our eyes to Heaven
We see Your glory oh God
As we fix our gaze on Jesus
We see the light in Your eyes

As it shines upon us
It lights the fire within us
We are changed by Your glory,
Oh God as we stand
In the light of Your presence
