

Lord Reign in Me

Over all the earth You reign on high
Every mountain stream every sunset sky
But my one request Lord my only aim
Is that You'd reign in me again

Lord reign in me reign in Your power
Over all my dreams in my darkest hour
You are the Lord of all I am
So won't You reign in me again

Over every thought over every word
May my life reflect the beauty of my Lord
Cause You mean more to me
Than any earthly thing
So won't You reign in me again

The Lord is Gracious

The Lord is Gracious and Compassionate
Slow to anger and rich in love

The Lord is good to all and He has
The compassion on all
That He has made

As far as the east is from west
That's how far He has removed
Our transgressions from us

Praise the Lord oh my soul
Praise the Lord!

Mighty to Save

Everyone needs compassion
Love that's never failing

Let mercy fall on me
Everyone needs forgiveness
The kindness of a savior
The hope of the nations

Savior He can move the mountains
My God is mighty to save
He is mighty to save

Forever author of salvation
He rose and conquered the grave
Jesus conquered the grave

So take me as you find me
All my fears and failures
Fill my life again

I give my life to follow
Everything I believe in now I surrender

Shine your light let the whole world see
We're singing
For the glory of the risen King

Forever author of salvation
He rose and conquered the grave
Jesus conquered the grave

So take me as you find me
All my fears and failures
Fill my life again

Heaven is Our Home

No more sin, no more shame
We are going where
The streets are made of gold

No more tears for they'll be wiped away
We are going where
The streets are made of gold

And if we just could see,
One glimpse of what we'll be
We'd run to win this race,
living our lives by faith
Because

Heaven is our home where we'll reign forever
Shining like the sun with our King forever
Every sorrow gone we'll rejoice forever
Heaven is our home, Heaven is our home

No more death for it's been overcome
We are going where
The streets are made of gold
Where oh grave is our victory song

We are going where
The streets are made of gold

More Than Enough

You are my supply
My breath of life
And still more awesome than I know

You are my reward
Worth living for
And still more awesome than I know

All of You
Is more than enough for all of me
For every thirst and every need

You satisfy me with Your love
And all I have in You
Is more than enough

You're my sacrifice
Of greatest price
And still more awesome than I know

You're my coming King
You're my everything
And still more awesome than I know

More than all I want
More than all I need
You are more than enough for me

More than all I know
More than all I can see
You are more than enough for me

Amazed

You dance over me while I am unaware
You sing all around
But I never hear the sound

Lord, I'm amazed by You
Lord, I'm amazed by You
Lord, I'm amazed by You
How you love me

You made the morning sky
With miracles in mind.

My hope will always stand
You hold me in Your hand.

How wide; How deep
How great is Your love for me
Lord, I'm amazed by You
How You love me

I Will Boast

Let not the wise man
Boast in his wisdom
Nor the strong man
Boast in his strength

Let not the rich man
Boast in his riches
But let the humble
Come and give thanks

To the One who made us
The One who saved us

I will boast in the Lord my God
I will boast in the One who's Worthy
I will boast in the Lord my God
I will boast in the One who's Worthy
He is worthy

I will make my boast
In Christ alone, alone
I will make my boast
In Christ alone, alone
