

## Discipleship, Doulos, and Dessert Week 1

What comes to mind when we talk about discipleship?

What is discipleship? What's involved in discipleship?

Why should we be concerned with discipling others?

Share any experiences (good or bad) related to discipleship.

For next week, think about discipleship in light of Jewish culture and Jesus' ministry.

Answer the following questions:

1. Was discipleship a new concept in Jesus day?
2. What were a few of Jesus' priorities in the discipleship process?
3. How was Jesus' discipleship process radically different than the cultural norm?
4. Does the success of discipleship depend on you?
5. What do you believe was the "work" that Jesus came to accomplish on earth?
6. Read John 13-17 for next week.
7. Try to determine 3 main ingredients of successful discipleship.

Be prepared to support your answers from Scripture!
